

**Purpose:** In this assignment, you will watch and critique an online math video explaining a topic in this unit. Consult the Daily Course Schedule for the topic list. View Rubric on Brightspace for full mark breakdown.

**Instructions:** 1. Complete the questions below in the space provided or on a separate sheet of paper.

2. Include the url link for your video in the comment section of the assignment.

3. Upload a pdf document of your work.

/20

1. **Title of**

**video**

2. **Why did you pick to watch a video about this topic?** ②

3. **What did you like about the video?** (Images, music, graphics, clarity of explanation, example(s) used, etc.) ④

4. **How could the video or explanation be improved?** (Did they speak too fast? Were they hard to understand? Were the images hard to see?) ④

5. **Summarize your review of this video.** (Did your understanding of the topic improve after watching this video? Were you more confused after watching the video? Would you watch other videos made from this person? Would you recommend this video? What did you like most?) ④
